Summit Christian School is a not-for-profit organization located at Newberry Park in Cuyahoga Falls and offers private education for pre-K through 8th grade. SCS is distinct in that it majors on creating a culture where the pursuit of academic excellence and the nurturing of a student's faith are approached holistically.

You might say that we minor in making private education affordable for the common family. Our student population is currently 154 and growing strong. Our students represent multiple racial and ethnic backgrounds from the Akron and Summit County region and consistently place above the national testing average in all academic areas.

We are offering a variety of sponsorship opportunities for the Golf Open. We are excited about the benefits each package provides and hope that you see these as meaningful ways to get the most exposure from your donations.
